At Sam's, we work closely with local farmers, artisans, and purveyors to bring you the freshest ingredients every day. We use cholesterol- and trans-fat-free vegetable oil in our fryers, so it's healthier for you, and it can be used for recycling.

Committed to the environment, we serve sustainably-fished seafood whenever possible, and use biodegradable and compostable packaging and utensils. All our salad dressings and desserts are house-made. Enjoy!
